Stratford-upon-Avon Hospital.

THE

Annual General Meeting

OF THE

Governors and Subscribers of the Stratford-upon-Avon Hospital

was held at the Hospital, Stratford-upon-Avon, on Saturday, October 12th, 1929, at Three o'clock in the afternoon.

When the following Reports of the Committee of Management and the Medical Board were submitted.

Report of the Committee of Management for the year ended June 30th, 1929.

1. The Committee of Management in presenting the Annual Report (with Statement of Accounts) for the year ended June 30th, 1929, has pleasure in announcing that the general affairs of the Hospital continue to be satisfactory.

2. The In-patients admitted during the year, 478, as compared with 467 the previous year.

The Out-patients admitted numbered 1,509 with 6,896 attendances—as compared with 1,520 Out-patients and 6,271 attendances the previous year.

3. In view of the heavy demands upon the services of the Honorary Medical Staff, your Committee desires to again call special attention to No. 56 of the

Hospital Rules and extracts from the regulations adopted by the Medical Board, referring to a very important matter.

> RULE 56. "All persons contributing to the Stratford-upon-Avon Hospital Maintenance Fund shall not be charged for MAINTENANCE, but all, other than necessitous persons, shall continue to be liable for Medical and Surgical attendance as if they were treated at home."

Extracts from Regulations adopted by the Medical Board :—

> "That there is no Resident Medical Officer. That the entire Honorary Staff—Physicians, Surgeons, Ophthalmic Surgeon, Dental Surgeons and Radiologist—give their services freely to all in accordance with the rules and regulations of the Hospital, and, therefore, they expect Rule 56 to be adhered to in all departments—In, Out, and Special."
>
> "All contributors to the Stratford-upon-Avon Hospital Maintenance Fund whose income does not exceed an average of £3 per week shall be entitled to the gratuitous services of the Honorary Medical Staff, but all above this amount should be inquired into and treated according to circumstances."
>
> "The Medical Board suggests that all admission orders should vouch that the bearer has a claim upon the free services of the Honorary Staff."

4. The Ordinary Receipts for the year amounted to £5,876 17s. 6d. as compared with £5,742 16s. 3d. last year, an increase of £134 1s. 3d.

The Ordinary Expenditure amounted to £5,828 11s. 3d. as compared with £5,542 16s. 10d., an increase of £285 14s. 5d.

5. The collections for the Hospital made at the various places of worship amounted to £121 12s. 3d., as compared with £135 9s. 3d. last year, a decrease of £13 17s. 0d.

Whilst tendering its best thanks to all the Clergy and Ministers for their assistance, the Committee desires most strongly to urge that these collections should, as much as possible, be given as "Free Gifts" to the Hospital Funds: that Tickets should only be given to really poor persons who are not in a position to regularly contribute to the Hospital Maintenance Fund.

6. THE HOSPITAL MAINTENANCE FUND, STRATFORD-UPON-AVON.—Your Committee desires to again tender its best thanks to the Chairman and Members of the Maintenance Fund Committee—also to the Hon. Secretaries and Collectors—for their continued valuable and staunch support. The contributions from this Fund during the past year amounted to £2518 9s. 0d.

7. THE HOSPITAL LINEN LEAGUE.—The Committee of Management desires to express its appreciation of the excellent assistance given by the Linen League, which held its seventh exhibiton in December last. With Mrs. West, of Alscot Park as President, and Miss Maud Gem, as honorary secretary, the Linen League is serving a most useful purpose in providing the whole of the linen equipment of the Hospital. The number of articles presented this year was 500.

8. THE ANNUAL BALL was held on December 28 last, at the Town Hall, Mrs. Lonsdale being the Lady Patroness, and was a most successful function. The profit on the Ball amounted to £59 16s. 3d., and donations to the amount of £107 11s. 0d. were received, making a total of £167 7s. 3d. for the general funds.

9. The Committee of Management records with deep regret the death of Mr. W. J. Fieldhouse, O.B.E., who took the greatest interest in all that concerned the welfare of this Institution, and gave freely both of his time and wealth to promote its efficiency.

Your Committee has received the sum of £500, being a legacy bequeathed to the Hospital by the late Mr. W. J. Fieldhouse.

10. X-RAY APPARATUS. Your Committee desires to acknowledge, with very grateful thanks, the generous gift of the re-equipment of the X-Ray Department with up-to-date apparatus at a cost of £700 by Mrs. Graham Rees-Mogg, of Clifford Manor. This supplements the gift of the X-Ray Room and Apparatus given by Mrs. Rees-Mogg in 1914 at a cost of £678, and is of especial benefit to the work of the Hospital.

11. DONATIONS.—Your Committee desires to record its best thanks:—

To Mr. A. L. Wilson-Wright for a Life Donation of £63.

To the Hospital Mitchell Football Cup Committee for the sum of £20 12s. 9d. being the takings at the final match last season. Since its presentation by Mr. J. J. Mitchell in 1923, this Cup has been the means of adding the sum of £138 2s. 11d. to the funds of the Hospital.

To the Warwickshire Hunt Club for the sum of £21 donated during the year.

To Mr. Montague Evans for a donation of twenty-five guineas.

To Mr. F. Organ for the sum of £8 13s. 4d., being part proceeds of the performance of "Sugar Candy," making a total of £197 6s. 3d. contributed by the Stratford-on-Avon Juvenile Amateur Company during the past few years.

To Mrs. Spencer of Great Alne for the sum of £6 5s. 0d. being the proceeds of "Alexandra Day" which is held annually in the parishes of Great Alne, Little Alne, Aston Cantlow, Kinwarton and Haselor.

12. THANK-OFFERING FOR THE KING'S RECOVERY FUND.—In May last an appeal was made on behalf of this Hospital for thank-offerings on the return to health of His Majesty the King, and your Committee desires to express its most grateful thanks to all the donors who have contributed to this fund. Since the close of the financial year the sum of £433 10s. 4d. has been received, £404 14s. 4d. of which will be

appropriated for wiping off the debt on the Extension Fund.

13. The Committee desires to acknowledge the generosity of all who have sent presents of dressings, clothing, eggs, fruit, vegetables, books, and many other useful gifts for the patients, and, in asking for a continuance of similar gifts, takes this opportunity of assuring the donors how much their kindness has been appreciated.

14. The Committee, in concluding this report, tenders its best thanks to the Medical staff for their skilful and gratuitous services; to the Chaplain, the Clergy, and all who have ministered to the patients at the Hospital, and to those who in any way have assisted in carrying on the work of the Institution.

Signed on behalf of the Committee,

FRANCIS H. HODGSON,

Chairman.

September 18th, 1929.

MORTALITY. 26, 5·1 per cent. of cases treated—
Medical 15. Surgical 11.

One case died on admission, one within 3 hours and four cases within 24 hours of admission to Hospital.

THE X-RAY DEPARTMENT. The Medical Board desire to record their appreciation of the most generous way in which Mrs. Graham Rees-Mogg has re-equipped this department with up-to-date apparatus at a cost of about £700.

There is an increase in the number of patients. A note from the patient's medical attendant should in every case be sent, and only the most urgent cases should attend without previous notice.

MASSAGE AND ELECTRICAL DEPARTMENT. This department has been further improved by the addition of Ultra-Violet Ray Lamps. The work here is heavy—4729 treatments were given in the past year.

OPHTHALMIC DEPARTMENT. The ophthalmic benefits provided by the National Health Approved Societies has decreased the work in this department, 340 patients were treated and 545 attendances were made. 108 children attended for refractions.

DENTAL DEPARTMENT. The work in this department is well maintained. Although the number of patients who attended is less, the number of dentures supplied was 55 as compared with 44 in the previous year.

THE GENERAL OUT-PATIENT DEPARTMENT. There is a slight decrease in the number of patients in this department, but the number of casualties attending for first-aid increases year by year.

TRAINING OF PROBATIONERS. The arrangement with the Horton General Hospital, Banbury, by which we shared the services of a Sister-Tutor terminated on May 31st, and the Medical Board then decided to combine two posts in the nursing department of this Hospital. Accordingly a Sister-Tutor and Theatre-Sister was engaged.

ACCIDENTS. 96 accidents were admitted during the year, 50 being motor casualties. These cases greatly increase the work of the Medical Staff and more especially that of the Nursing Staff. The growing number of accidents on the road emphasizes the necessity for an organized system by which Hospitals can be relieved of the heavy strain on their accommodation and resources.

Signed on behalf of the Medical Board,

R. LATIMER GREENE,

October 1st, 1929. Chairman.
